Teacher, Parent and Volunteer Shares Her Perspectives on Our School

A few weeks ago the Principal of our school shared her experiences as a former parent of students that attended OLR School, as a teacher at the school, and as Principal. To have one person who has experienced life at a school from different perspectives, however novel it may be, is not unique at OLR. We would like to introduce you to a teacher, Kathleen Sao, who has been a long time parishioner, had sent her two daughters to our school, who has had a number of volunteer roles in both our parish and school over the years, and just this year became our Third Grade Teacher.

Kathleen had been a substitute teacher in various public schools since 2009. Last year she was a long-time substitute teacher in two grades in the Fremont Unified School District. She decided to work at Our Lady of the Rosary School as it “feels like home,” and because it is a place where she can share her faith in the classroom.

Kathleen has three daughters and two sons, and two of her daughters attended OLR school until 2007. Some of our current seventh and eighth grade students remember her working in our school as a volunteer who helped out Mrs. Orozco in her third grade class, someone who taught Irish dancing, and who helped out during summer school. She was also a teacher and helper in our CCD program for 16 years. Kathleen had been a Girl Scout leader for over 10 years when they were meeting at our school — in fact, for a few of those years the meetings were held in the classroom of our future Principal, Susan Garcia, when she was teaching 7th Grade. The Girl Scout troop planted flowers and roses around the Church and worked in the face painting booth at the Festival. Kathleen worked with the troop members in helping them achieve their Catholic Scouting Award. She has also volunteered with her daughters to stuff envelopes for large parish mailings and folding the Sunday Bulletin.

Now that Kathleen is a teacher in our school, she likes the sense of community she feels within the school and the parish. She says that it is fun to walk through the office, see all of the activity going on in the school and the parish offices like the leaders counting the Sunday collections and folding the Bulletins — she enjoys saying “Hi” to the various employees and volunteers there. In terms of her classroom, she values the fact that Jesus can be the center of classroom life. A student leads prayer at the beginning and end of each school day and offers a blessing before lunch. When someone is facing a difficult circumstance in their family the class gathers together for prayer. In the classroom there is a crucifix and a picture of the Pope on the wall, and a prayer table — all reminders that God is ever-present in our lives.

Other moments are valued by Kathleen as well. Deacon Folger visited our class one day to share his insights on being a Deacon an shared a story with us, as he is a “master story teller.” Catholic Education is a blessing, as we would not be able to invite people like Deacon Folger to class, or address our Catholic identity in class if this was a public school. She also feels blessed as she is able to teach school in her own parish, which gives her a strong sense of community.

So Kathleen feels fortunate for the opportunity to teach in a school where the sense of community is strong and where she can integrate, and acknowledge her faith in the classroom on a daily basis.

As an aside, Kathleen is quite a poet, and has written poems for various events at the parish on a number of occasions. This year, on the first day of class, she wrote the following poem for her third grade students at 6:00 a.m. before the school day school started — she said the words just came to her:

LENTEN OBSERVANCES TAKING PLACE AT OLR THIS COMING WEEK

Every Evening

Friday, March 11
6:00 p.m. — Soup Night, Sponsored by the Service, Stewardship and Finance Clusters
6:00 p.m. — Reconciliation in Private
7:00 p.m. — Stations of the Cross

LENTEN OBSERVANCES TAKING PLACE WITHIN OUR DEANERY

In the Catholic Church, a Deanery is formed when the Bishop joins together a group of neighboring parishes. In our diocese, the primary purpose of the Deanery is to foster the promotion and coordination of common pastoral activity among neighboring parishes. Due to a recent re-configuration of Deaneries in our Diocese, Our Lady of the Rosary is now in the Deanery with St. Anne’s and the parishes of Hayward. In this section of the Bulletin during the Lenten Season we will share with you the activities that our sister parishes are inviting you to take part in.

All Saints Church, Hayward

Every Thursday, from February 11 through March 17, All Saints Church is having its Lenten Program entitled “Priest, Prophet and King — What does Our Baptism Call Us to Do?” Each evening starts with Mass at 6:00 p.m. followed by a soup supper at 6:30 in the Gymnasium, and the Lenten Program at 7:00. The Lenten Program is a five-week DVD series with Bishop Robert Barron. He will lead you to a deeper understanding of Jesus as Priest, Prophet and King. These roles become our calling when we are baptised into Christ.

On the evening of March 17, Jack Jezrell, a dynamic speaker and President and Founder of JustFaith Ministries, will help answer the question “What does our Baptism call us to do, especially in the Year of Mercy?” A free-will offering will be taken this evening to help cover expenses.
Scrip Meets the 21st Century
OLR Scrip Program Being Expanded, Modernized

Starting April 1 (no kidding!) there will be some changes and enhancements to our program of selling fundraising gift cards, also known as scrip. These changes are being made to increase participation in the program and bring in additional funds — and, as always, at no additional cost to you!

Change #1: The program will be a joint program between the parish and the school, the proceeds being shared 50/50 between the two. Why? For two reasons. First of all, scrip programs have proven to be most effective when focused on the school. Secondly, if both the parish and the school “split the proceeds 50/50,” both parish and school should earn more than if they would run a program on their own.

Change #2: More opportunities to buy. Sales will be EVERY WEEKEND AFTER MASS, and not only every other week as it is now. Since the school will be partnering in the program, school parents will also be volunteering to sell it after Mass. In addition, school parents will be given order forms that they can fill out and turn in at the school office at the beginning of the school day, and their scrip will be ready for pick up at the end of the day.

Change #3: Electronic and online scrip will be added to the program. Our Lady of the Rosary is joining the scripsense program, which is an electronic scrip program. There are two ways to participate in electronic scrip. One is where parishioners and parents can purchase scrip online, and receive electronic scrip certificates sent to them by e-mail. These certificates can be printed out and used at the store, as they have a barcode on them. Payment can be made either by credit card, PayPal, or by ACH from a bank account. Another way to use electronic scrip is to visit the scripsense website and shop in an online store — many of which you are probably already shopping at, like Macy’s and Kohl’s. In some cases, one can “double dip,” meaning that they can earn a percentage return for OLR by shopping in an online store, and then pay the bill at checkout with electronic scrip certificates already purchased.

If you are a parishioner, and want to participate in the new electronic scrip program, we need your e-mail address. Why? We need to have scripsense send you an electronic invitation to set up an online account. So, if you want to set up an on-line scrip account, please send your name and e-mail address to admin@olrchurch.org, and say in the e-mail that you want to join our electronic scrip program. School parents will not have to do this, as they will receive their e-mail invitations automatically.

Look to future editions of this Bulletin for more information on our new scrip program as it develops.

An Opportunity to Host Our Lady of Guadalupe In Your Home

The Guadalupe Society has a ministry where an image of Our Lady of Guadalupe will visit parishioner’s homes for a week. We are reaching out to our parish families with this ministry in order to offer them an opportunity to pray the Rosary at home and better know Our Lady of Guadalupe.

Each week at the 9:45 a.m. Mass, the family that had the Image of Our Lady of Guadalupe in their home will return it, and, at the end of the Mass, a special blessing is given. Another parish family then takes possession of the image for the coming week. The family will have Our Lady at home from Sunday through Saturday. The family can invite friends, family and neighbors to visit their home and pray the Rosary with them. A guide for praying the Rosary is provided, which includes a narrative of each apparition of Our Lady of Guadalupe. The following Sunday the family will return the image when they attend the 9:45 Mass, and the “cycle is repeated.”

Even though this devotion is starting at the 9:45 a.m. Mass, our intention is not to limit it to the parishioners who attend this Mass — this is only a starting point. People who speak both English and Spanish can take part, as the guide is bilingual. People who normally attend other Masses can participate — initially by attending the 9:45 a.m. Mass to take possession of Our Lady after the blessing, and later at other Masses as the ministry grows. Depending on what the future holds, other similar ministries could develop at OLR.

If you would like to schedule a week for the image to reside in your home, please contact Berta Ramirez at 510.441.7786 or Margarita Tijero at 510.460.2924.

**LENTEN REFLECTION**

I think by now most people have to come to appreciate that Jesus’ parable of the Prodigal Son is about a merciful and forgiving father, not a disobedient and spendthrift child.

It is important to point out where we first find the father in this tale.

The father in the story doesn’t sit at home, twiddling his thumbs, thinking to himself, “Gee, I hope my kid is ok.”

No! He goes out to find him—and he does—while his son is “still a far way off.”

God isn’t interested in how far we separate ourselves from him. He doesn’t care how badly we “squander” the inheritance he has given us. He comes out to meet us, where we are, and takes us as we are, in all our messiness.

We like to tell ourselves that we seek God. In reality God seeks and finds us—if we let him.

God doesn’t allow his lost sheep to stay lost. That would not make for a very good Shepherd. God seeks and waits. And when we “come to our senses” and make our way home, he throws a party.

The son, for his part, was ready with a planned speech upon meeting his father. But the father was not in a listening mood. Think about the times our children have wronged us and have come to us with a feeble apology or excuse. Think about the times we wanted to move past the conversation and right into the punishment.

Again, Jesus turns the story into a radical lesson of love and mercy. The father stops the son in his tracks and says to his servants, “Quick!” He is so overjoyed at having son “come back to life” that he wastes not a single moment.

Often we are called to lengthy discernment in our faith, and rightly so. But sometimes we are so overcome by a moment—often accompanied by God’s grace—that we are inspired to a spontaneous response, like Mary visiting her cousin Elizabeth “in haste” (Luke 1:39).

Now let’s take a look at the interaction between the father and the older son. Again, the father does not hide out in the house, hoping the son will come in and join the festivities.

No! He goes out to find him, too. And of course he finds him. The son may not come from “a far way off” in the physical sense. But even though he has served his father “all these years”, something has happened to him. He has forgotten how to love. Worse, he has forgotten how to let his father love him. True, he was loyal. He never left his father’s house.

But he still left.

Again, God isn’t interested in how (or how far) we separate ourselves from him. He doesn’t worry that we are envious of his generosity to those we feel don’t deserve it (Matt 20:15).

Once again, he comes out to meet us, where we are, and takes us as we are.

In all our messiness.

— Donald Marquez

**Holy Thursday’s Washing of the Feet**

**A Special Invitation Extended to Our Parishioners**

The Mass of the Lord’s Supper on Holy Thursday provides an opportunity to demonstrate service to one another, as Jesus himself did. In past years this was exemplified by the Holy Thursday Supper Table where representatives of the parish sat. Last year parishioners were selected to have their feet washed by Fr. Jesús.

This year, rather than having us select those who will partake in this ritual of service, we are asking parishioners who would like to take part in the Washing of the Feet to come forward.

If you want to participate in the Washing of the Feet on Holy Thursday, which will take place at the Mass at 7:00 p.m. on March 24, please let us know. Either call Liturgy Committee member Martha Estrella, at 510.816.6972, e-mail her at mestrellaa@aol.com, or leave a message for her by calling the Parish Office at 510.471.2609. Thank you very much.

**Practice will be held on Tuesday, March 23, at 7:00 p.m. in the church.**

**Oh, Oh! Spaghetti O’s Donate Food to Our St. Vincent de Paul Conference Pantry**

In order to be more self-sufficient and meet the needs of its clientele, our parish St. Vincent de Paul Conference would like you to consider making a small donation of food in order to fill up the cupboards. The Conference will ask for a few different items to be donated every few weeks or each month. These items would be most helpful and appreciated — simply drop them by the Parish Office or place them in one of the collection boxes located in the two Sacristies of the Church.

The items being collected at the present time are the following (please try to bring items in pull-top cans — that is, cans not needing a can opener):

- Ravioli in Sauce
- Spaghetti O’s
- Vienna Sausage

**HOW TO SUBMIT AN ARTICLE FOR THE BULLETIN**

To place an article in the Parish Bulletin, please submit it by Tuesday at noon so that it can appear in the Bulletin the following Sunday.

To submit an article, please do one of the following:

- Mail it to the Parish Office: 703 “C” Street, Union City, CA 94587
- Deliver it to the Parish Office
- E-mail it to bulletin@olrchurch.org

In order for us to track bulletin article requests efficiently, please …

- Do not send your bulletin articles to other e-mail addresses.
- Use this e-mail address only for bulletin-related correspondence.

**Inserts and Flyers.** Non-profit organizations can have approved flyers included in the Bulletin. Inserts should be printed on two sides — English on one side and Spanish on the other. Flyers are to be delivered to the Parish Office by Thursday morning for inclusion in the Bulletin of the following Sunday. The parish can also print a flyer as a full page in the Bulletin if costs are reimbursed by the organization. Contact the Parish Office by calling 510.471.2609 or e-mail bulletin@olrchurch.org

We Want You to Consider Becoming a Eucharistic Minister For One of Our Masses In Spanish

At the present time there is a shortage of Eucharistic Ministers for our Masses in Spanish, not because we lost any, but because we want to provide more “stations” with wine during Communion. We hope that you will consider being a part of this ministry, as it can be a very rewarding one. People who are in this ministry consider it an honor. In addition, it will take up very little time, as you will participate in this ministry when you are attending Mass — the only additional time commitment would be your training and a yearly workshop. And since we need more people to participate, you will make a difference in our parish. So we ask you to reflect on this, listen for “The Call,” and then call one of the head ministers if you are interested. For the 6:45 Mass call Alejandro Ibarra at 510.750.7244 and for the 9:45 Mass contact Jose Manuel Romero at 510.213.4741.

Vascular Health Screenings and Wellness Visits at OLR In March

Life Line Screening, a mobile vascular screening service which has come to OLR before, is returning on Tuesday, March 22. Screenings will be performed in the Parish Hall by appointment only (call 888.653.6450, or visit www.LifeLineScreening.com/community-partners). Screenings are non-invasive and painless – most use Doppler ultrasound technology. Screenings that will be offered are stroke/carotid artery screening, heart rhythm screening, abdominal aortic aneurysm screening, peripheral arterial disease screening, and osteoporosis risk. By participating in these tests, you can be made aware of a hidden potential health problem at a low cost, so that you can seek follow-up care from your physician. A package of all five tests costs $149.00. In the past, a few OLR parishioners have been referred to their doctor with a potential problem. If you are interested, be sure to call for your appointment — get at $10.00 discount.

In addition to the vascular screenings, you can also have an annual wellness visit to help you build a plan for better health. During this visit you will have a one-on-one assessment with a licensed Nurse Practitioner. The plan that is developed will help you and your doctor plan for your preventative screenings and immunization for the next 5 to 10 years. This additional service is provided with no co-pay under Medicare Part B. To receive this service, call 1.866.579.5069 (have your Medicare card ready when you call).
